Tosha is a 28-year-old guy born in Valencia, Spain. He started in the world of motorbike racing because of his uncle, from Motocross he then moved on to enduro and he currently competes in rallies.

From a modest background, he began to take part in races, travelling all over Spain and achieving some good results. At the age of 20 he signed his first professional contract with the Husqvarna España team and he took part in his first world championship races as well as the FIM International Six Days Enduro (ISDE) race, representing Spain for four years in a row.

Tosha has always been clear that he wanted to ride in rallies and be able to compete with the greatest in the Dakar. He first took part in rally events in 2020, with very good results. He won the Andalusia Rally and thus earned a direct pass to the Dakar.

It was the first step towards a dream that is beginning to come true. Two months later, he came 13th in the Dakar 2021. In 2022 he took part in various competitions and won the Baja Aragon.

He rode his second Dakar in 2023 finishing 13th. Then he changed bike to Honda and came second in the Sonora Rally in Mexico and won Baja Aragon and Desafio Ruta 40. But the best is yet to come.
